The dates for December are Thursday 7 December and Thursday 21 December.

For the first evening we invite participants to a bring and share supper. We will then explore possible takeaway options for future gatherings.

Suggested topics for exploration include: Lectio Divina, Bible Study, Experiment with Light, Centering Prayer, Tree of Contemplative Practice, Kindler's Series, Deepening the Life of the Spirit, Spiritual Direction.

For more information please speak to Jo Joy or Pastoral Friends/Elders.

**DECEMBER COLLECTION** is for Scholarships for Street Kids (S4SK). This charity, run by Quakers in Yorkshire, raises funds in this country for its sister charitable organisation in Myanmar, Hope for Shining Stars. This provides educational opportunities for children from poor backgrounds, often from begging and scavenging families. Support is for everything from literacy classes, family support for a child who is going to school, to vocational training and courses in higher education. The website for more information and to donate is [www.s4sk.org.uk](http://www.s4sk.org.uk). Or send a cheque, payable to Scholarships for Street Kids to: The Treasurer (S4SK) 72-74 Sun St., Haworth, W. Yorks., BD22 8AH.

Friends who are taxpayers are encouraged to send donations directly to the charity, using Gift Aid or a charity voucher (CAF, Charities Trust, etc) possibly adding a note to say that they belong to Cheltenham Quaker Meeting

### FROM THE LIBRARIANS

The Librarians would like to ask Friends **not** to donate unwanted books, or books for which they have no room, to the Meeting. Please take them instead to the Red Cross bookshop in Bath Road or the Oxfam bookshop.

We are no longer having book sales as many Friends are downsizing or going into care and do not wish to amass more books.

**Items for inclusion in the next newsletter** should be sent to the editorial email address or by post to the editor

## NOTES FROM NOVEMBER LOCAL MEETING

The theme for the whole of this LM was “The future of our Meeting”. We began with a reading from *Quakers in Transition* by Craig Bennett, a Sheffield Quaker currently an Elder for his Area Meeting. In his writing ‘A Simplified Meeting’ he says that we are working so hard just to keep things going that we find ourselves overloaded with jobs which may not be necessary. He says it is important to refocus on what is essential, and all of our structures, committees, roles and property exist for just one purpose – to help us attend to the Inward Guide and to follow it. We need the service of Friends who, between them, can offer the ministries of clerking and pastoral care that enable our Meetings to be rightly ordered, and all other roles and responsibilities, including legal and financial matters are entirely secondary. He quotes from Thomas Kelly, Qf&p 20.36 who says that life can become simplified when dominated by faithfulness to a few concerns.

In order to attempt this simplification we split into three groups to consider how our Meeting might run with all jobs being divided between three hubs:

### **Clerkship, eldership and oversight; Administration and premises; Communication.**

**Among suggestions** were that a convenor would be an important link between the hub and LM. We foresaw some difficulties in including hub meetings within LM, but thought we could have an agenda slot for each hub at each LM. In the past there were regular reports from sub-groups in the Meeting. Outsourcing Lettings and Premises matters might reduce the workload involved but might reduce income.

Spiceland Meeting, from whom the idea of hubs came, has one Treasurer in the Area Meeting, who oversees all the LMs, who each just have a bookkeeper.

Nominations Committee brought several new names for consideration and the names of Friends willing to continue their current roles into the next triennium. These were accepted and the full list is at the back of this newsletter.

Joseph and Ellie Fuller are seeking to set up a group for Gloucestershire Area under-30s and asked if we could let them know of any possible contacts among young people. This suggestion was welcomed. Our Clerk is forwarding them some details, for example the Link Group, but please contact Joe and Ellie if you know any younger people who might like to become involved with Friends.

## CHANGE OF EDITOR

As this triennium comes to a close, at the end of the year, this will be the last newsletter that I will edit. When Nominations came up with my name six years ago I was a little surprised, as I have limited desktop skills and it wasn't something I had ever thought of doing. However, I have always seen the value of good communication between Friends as a way of building community and a feeling of inclusion. So thank you, Nominations Committee, it has been an interesting and worthwhile job, and I have enjoyed doing it. (And I have learnt how to put things into columns!) Many thanks to Iain Main for his careful proofreading and printing it.

## REINDEER'S REPORT

Chimneys: colder.  
Flightpaths: busier.  
Driver: Christmas (F)  
Still baffled by postcodes.

Children: more  
And stay up later.  
Presents: heavier.  
Pay: frozen

Mission in spite  
Of all this  
Accomplished

## MERRY CHRISTMAS
